**Re: Docket No. FHWA-99-6156- 3**

Dear Docket Clerk:

Our department has reviewed the request by Mr. Fletcher Creel for an exemption from the vision requirements in the Federal Motor Carrier Safety Regulations in order to operate interstate commerce.

After reviewing Mr. Creel's driving record, the department is not opposed to the exemption from the vision regulation to authorize interstate commerce. However, the department will continue to impose restrictions from operating buses and transporting material requiring placards.

If you have any questions, please call Bruce Allen of my staff at (916) 657-6550.

Sincerely,

A handwritten signature in cursive script that reads 'Susan Larson'.
